**I wanted to let know that the shutters arrived in perfect condition and are now installed and look beautiful - exactly what we wanted. *Joan Fleming***

**What a nice job you and your people did with the shutters, an excellent job from taking the order to wrapping them for shipment. You finished faster than expected with no drop in quality, which I always respect greatly. Your company has moved to the top of my list for interior shutters. *Mark Godfrey***

**Thanks so much for your response. Your e-mail was not only informative, but more complete than I could expect for this small inquiry of two shutters. Every time I have conducted business with your fine company I'm reminded that there are still people out there trying to do it the right way. It is obvious to me through my dealings with you that Shuttercraft is a company of dedicated individuals who truly care about the quality of their products and the importance of exemplary customer service. Thank you very much!**
